

To W. O. from Dr. Flick.

Philadelphia,
March 4, 1904.

My dear Dr. Osler:

Dr. Ravenel has informed me that the committee the other night adopted the resolution which I had made with the amendments which had been presented before I left. As Professor Maragliano will be in this country during the latter part of this month it has occurred to me that it might be a good plan to hold the meeting sometime near the date of his lecture so as to give the Western men an opportunity of attending the lecture at the same time that they come to the meeting. The date of Maragliano's lecture will be either the 28th or 31st of March. Perhaps it also might be a good plan to hold the meeting in Philadelphia, and if this is deemed the proper thing to do we shall be glad to provide the hall here at our expense. Inasmuch as entertainment will be given to Prof. Maragliano the same entertainment will perhaps answer for the delegates. These things are all in your hands and I submit these suggestions to you for consideration.

In order to expedite your work of getting delegates I submit to you the following list of organizations in Penna., which ought to be invited to send delegates. The Penna. Society for the Prevention of Tuberculosis, Dr. Howard Anders, 1836 Wallace St., Phila, President; the Free Hospital for Poor Consumptives, Miss Helen C. McDevitt, 708 Witherspoon Bldg., Phila., Secretary; The Rush Hospital for Consumption and Allied Diseases, Hon. William Ashman 4400 Spruce St., Phila., President; Hospital for Diseases of the Lungs for Women Consumptives, Rev. Herman Durhing, 411 Spruce St., Phila., Secretary; Lucien Moss Home, Mr. William B. Hackenburg, 516 Market St., Phila., President; The Henry Phipps Institute for the Study, Treatment and Prevention of Tuberculosis, Mr. George Gordon, 238 Pine St., Phila., Secretary; The Phila. Institute for Organizing Charity, Miss Mary E. Richmond, So. E. Cor. 11th & Walnut Sts., Phila., Secretary; The Scranton Society for the Prevention and Cure of Consumption, Dr. Jonathon M. Wainwright, 627 Linden St., Scranton, Pa., Secretary; Mont Alto Camp for Consumptives, Dr. J. T. Rothrock, Penna. Dept. of Forestry, Harrisburg, Pa., Secretary.

The following individuals likewise should be invited: Dr. Samuel B. Dixon, Academy of Natural Sciences, 19th & Race Sts., Phila.; Dr. John H. Musser, 1927 Chestnut St., Phila.; Dr. J. C. Wilson, 1909 Walnut St., Phila.; Dr. Jas. Tyson, 1506 Spruce St., Phila.; Dr. Edw. Martin, 1506 Locust St., Phila.; Dr. J. W. Ellenberger, 922 N. 3rd St., Harrisburg, Pa.; Dr. Chas. Minor, Wilkes-Barre, Pa.; Dr. H. M. Neal, Upper Lehigh, Pa.; and Dr. B. H. Detwiler, Williamsport, Pa.

I have quite a collection of names of men throughout the United States who have done good work in tuberculosis and if I can be of any service to you in supplying you names of persons who ought to be invited I shall be very glad to help you.

Yours truly,

Lawrence F. Flick.
